

FALL EVENTS

Reap the benefits of a feel-good fall sponsorship that puts your business in mind just before the holidays.

Harvest Fair

October 14, 2017

Dublin Heritage Park and Museums' Harvest Fair offers traditional, wholesome fun for a crowd of 500+ with tractor-drawn wagon rides, bluegrass music, even a hay play area for the little ones. Hands-on history activities, like churning butter and pressing cider, provide a full afternoon of family fun. This is an ideal match for any business that prides itself on having old-fashioned quality and customer service.

Ghosts of Dublin

October 27 & 28, 2017

Our flashlight tours of the Pioneer Cemetery at Heritage Park are a huge hit, not only with families with older children, but also with 20-somethings and seniors. True spooky stories and pictures from Dublin's past make for a festive fall evening, without any of the gore of a more commercial Halloween celebration. This smaller nighttime event is expected to draw 300 people over two nights.

Please see a summary of sponsorship benefits on the reverse, and contact us at (925) 833-6645 to arrange your fall sponsorship today.
